Frisco, Texas 75034

Re: Isbell Elementary

Dear Ms Eguez:

It is likely that Isbell Elementary will require (4) portable buildings to accommodate a growing student population for the 2010-2011 school year. This move is intended to be a temporary solution to overcrowding. The portable units will be removed as soon as additional facilities are developed.

If you have any questions, please don't hesitate to call.

Sincerely,

Blake Vaughn  
Director of Maintenance
